

# AGENDA

TUESDAY, OCTOBER 6TH - **REGISTER**

12:00 PM – 3:00 PM EDT

Following Times in EDT

12:00 PM	<b>Opening Remarks:</b> <a href="#">Rosemarie Day</a> .
12:10 PM	<b>Keynote Speaker 1:</b> <a href="#">Wanda McClain</a> , Vice President, Community Health and Health Equity, Brigham Health
12:30 PM	<p><b>Panel 1: Reimagining Access to Coverage Beyond COVID-19</b>          The COVID-19 pandemic revealed and/or exacerbated a number of shortcomings and Inequalities as they exist in our system of coverage in the US. This panel will explore how the pandemic can or should catalyze lasting change in how Americans receive health coverage.</p> <p><b>Panelists:</b>  <a href="#">Lindsay Lang</a>, Director, HealthSource Rhode Island  <a href="#">Kevin Patterson</a>, CEO, Connect for Health Colorado  <a href="#">Linda Schwimmer</a>, President &amp; CEO, New Jersey Health Care Quality Institute</p> <p><b>Moderator:</b> <a href="#">Rosemarie Day</a>, CEO &amp; Founder, Day Health Strategies</p>
1:10 PM	<p><b>Panel 2: Improving Access to Care: Driving Impact Through Data and Technology</b>          Innovations in technology have the power to improve access to healthcare services for some populations, while limiting access for others. This panel will explore how technological innovations and the utilization of data can help and not hinder populations accessing healthcare services both within the U.S. and abroad.</p> <p><b>Panelists:</b>  <a href="#">Maria Levis</a>, CEO, Impactivo, LLC.  <a href="#">Juan Montanez</a>, Principal, Health Management Associates  <a href="#">Namita Seth Mohta</a>, Hospitalist, Brigham and Woman's Hospital</p> <p><b>Moderator:</b> <a href="#">Sarah Bliss Matousek</a>, Principal, Day Health Strategies</p>
1:40 PM	<p><b>Panel 3: Addressing Health-Related Social Needs and Improving Health Outcomes</b>          In addition to treating illness, providers are increasingly expected to work with patients outside the doors of their facilities to keep them healthy. Medicaid Accountable Care Organizations in particular have been using creative approaches and leveraging technology to address social needs and provide whole person healthcare. This panel will explore current models and tools designed to improve providers' abilities to address health-related social needs within their communities.</p> <p><b>Panelists:</b>  <a href="#">Eric Beane</a>, Vice President of Regulatory and Government Affairs, Unite Us  <a href="#">Thea James</a>, Vice President of Mission &amp; Associate Chief Medical Officer, Boston Medical Center  <a href="#">Katherine Record</a>, Executive Director, Beth Israel Lahey Health Medicaid ACOs &amp; Performance Network Compliance &amp; Privacy Strategy</p> <p><b>Moderator:</b> <a href="#">Emily George</a>, Senior Consultant, Day Health Strategies</p>
2:15 PM	<b>Keynote Speaker 2:</b> <a href="#">Lisa Bielamowicz</a> , President & Co-Founder, Gist Healthcare
2:35 PM	<b>Closing Remarks:</b> <a href="#">Rosemarie Day</a> .
